Dan & Noreen McGaffee Missionaries to Namibia
September 2006

The Assemblies of God in Namibia recently held a weekend conference for its constituents. Pastors and missionaries spoke on "Raising The Standard", beginning on a Friday evening and concluding on a Sunday morning. The Sunday AM service was gloriously touched by the power of the Holy Spirit! The gift of tongues and the interpretation of tongues, prophecy, powerful preaching and an altar call where several responded to devote themselves to the Lord's work took place during the morning worship service.

Sunday AM Service in Windhoek, Namibia

Noreen, Kristen, Lydia and Hannah ministered to children through songs and puppet skits during the conference.

Bible College Students July session 2006

Thank you for your kind, faithful partnership in helping us expand the kingdom of Heaven here in Namibia! Pray that we can raise additional funds to finish student housing for the Bible School project #4387. Also, pray with us about planting an additional church in Windhoek, encouragement for our pastors and guidance for Joel and Mark as they pursue the Lord's direction for their lives.
God bless you!
